

# Houseparty for Rasmia!

On June 10th Chicago community leader Rasmia Odeh's trial is scheduled to begin in Detroit and we want to be there to stand in solidarity with her to protest this injustice! The MN Committee to Stop FBI Repression is organizing for folks attend her trial and to do community organizing.

Please come to our houseparty to learn more about Rasmia's case and what you can do to help. There will be a cash bar and a pitch for donations. All donations will go to fund Minnesotans travel to Detroit and Rasmia's legal defense.
