

Join us for a protest to demand freedom for Palestine and to demand that the federal government drops the trumped up charges against Palestinian American leader Rasmea Odeh! The Minneapolis protest will coincide with Rasmea's next court appearance in Detroit. The U.S. government is trying to prosecute her for allegedly lying on her immigration papers - about her Israeli imprisonment 45 years ago. The wrongful conviction in Palestine was the result of vicious physical and sexual torture by the Israeli military. Rasmea is a well-known activist in Chicago and she is fighting her charges. Join with us to stand in solidarity with the people of Palestine - both at home and abroad!
